producted the stage in all is growth set the continue of the comment of the product of the stage in the continue of the comment of the product of the stage in the continue of the comment of the comment of the product dissimulated even to her dying hoor. Son could brank no tiral near hir throne

Her dominating passion was for power and to be first in all things, a rea queen with men as with nations. The moment she suspected any of her favorites of one man who above all others she loved fell the victim of her rags, excited by her suspicion of designs upon the power she well of win such sindanes of purpose in the interest of Viginal Roung above the petry vacity, the venous and apleen and the low, debasing habits which even a very superior education and kingdom were in question. She inha-tied many of the brunking train and tendencies, the low amoral in-structs of her fainer of infatuence memory. of them, Baleigh, a great favorite of her did not hesitate personally to prifit by the slave trails and by the piraces and buccanoering enterprises of her naval lieutenants. She had no religious restraints. Her father had thrown off the yoke of Rome because the Couran would not lend itself to his purposes of lachery and less large. She, Probestant by and her absorbing threat was for England's lectual wealth, and it stands out t-mong he most glorious in the unnels of th

world's history. It was a policies one for England and the English tengue. The supremacy of England began in her reigns and when she sited wen forgother crims her follies and excesses. They interred the null she dut. the swil she did with her bones, and enng for b' story an idealized "E state th" be revered by the people for many genus attract, even to our own tisy. This is the and power were at once her weakness and her strength, but it is much to be regretted that her personation was une qual, because it was marred by her imited knowledge of the English language and, on occasions, by something ng her thought into a language with the the loss of the subtle power by which years ago she mounted to subligh a place in the dramatic firmsment would have ber her twenty years ago, as who a comb upon the heels of Rachel she invite cannot resist the yearning for applause. It is a weakness the world never pardons. Having mounted to the zenith this tempting of a future, and in a strange language, is much to be regretted. Her place in the history of the stage, among the case inst to slide by Umplee Weeks's the names that were not been to die, was

as strength in her persons for and gree and something is a the glamour of sovereign diship over it all—there was even occasional imposes, as in the last act, of the subte fir that in her best days made men shrink and women abrisk as if in pain, but it is a the result of effort. It came in obed to an impera-tive demand on faces that once were it was the enkinding of smolder-ing askes without material to re-new the fire. The queen was there; we knew her by her trappings and bear-ing, but she was o der by many years and I wern by time and the vicesitudes of a

respect than any we have ever offered. We buy DOMESTIC GOODS from MANUFACTURERS only, and ALL FOREIGN GOODS we IMPORT GURSELVES. Hence we do not pay a profit to middle men, and as we buy only in large quantities, and always EXCLUSIVELY FOR CASH, we do not hesitate to GUARANTEE to the LARGEST and CLOSEST BUYERS that we can sell them goods AS LOW AS THEY CAN BUY them in the United States, and offer them, as inducements they cannot find in distant markets,

LOWER FREIGHTS, QUICKER TIME AND LIGHTER TRAVELING EXPENSES.
